## Investment Analyst

Arch is looking to employ an Investment Analyst who will have primary responsibility for supporting the Alternatives Investment and Research team; assisting in alternatives analysis, analytics and research and preparing and delivering investment reports. This position reports into the SVP, Chief Investment Officer of Alternatives.

### The Company

Arch Capital Group Ltd. is a Bermuda-based company which provides insurance, reinsurance, and mortgage insurance on a worldwide basis. Arch Investment Management Ltd. (AIML), is a wholly owned subsidiary of Arch Capital Group Ltd. Arch has approximately \$14bn of capital and investable assets of \$26bn. Arch Investment Management Ltd. is responsible for managing the portfolios of Arch Capital and its subsidiaries. We seek talent that thinks innovatively, values collaboration and will go the extra mile to serve our customers and develop our company.

### Job Responsibilities:

- Assist in the preparation of material aiding in the investment function
- Support the Alternatives investment team in evaluating external managers
- Support strategists in the evaluation of sectors
- Support the investment team in the research of alternatives strategies
- Assist in the preparation of reports and market analysis as needed
- Liaise with the investors and ACGL support teams to troubleshoot issues as arise
- Participate in other activities at the discretion of management

### Minimum Qualifications, Skills & Experience:

- A bachelor's degree. Concentration in economics, finance or another quantitative subject highly desirable. CFA, MBA, or Master's in finance would be a plus
- Minimum 2 years' experience in an investment analysis related role
- Experience with eFront, Aladdin and Clearwater would be an asset
- Proficiency with Microsoft Office Suite of applications, especially Excel
- Strong analytical and communication skills
- Excellent organizational skills with the ability to work on own initiative
