

Join a world-class organisation

With operations in 54 countries, Chubb is one of the world's largest multi-line property and casualty insurers.

Chubb Bermuda Insurance Ltd. invites applicants for the position of **General Counsel**. Reporting directly to the Division President, Chubb Bermuda Insurance Ltd., the duties for this position include, but are not limited to the following:

- Managing legal personnel and activities for Chubb Bermuda and its affiliates in Europe
- Providing legal support to underwriters in all lines, including development of new products, drafting, and interpreting complex commercial insurance contracts and endorsements
- Interacting with brokers, underwriters, actuaries, clients, other insurers and senior executive management with confidence and professionalism
- Providing legal review of third-party contracts, marketing materials, and training documents
- Provide counsel with respect to underwriting authorities, internal investigations, operational protocols, and best practices
- Providing legal counsel to Claims Line Managers and Analysts relating to coverage, liability and damages under Chubb Bermuda insurance policies
- Communicating credibly and effectively with Chubb executive and senior management, underwriters, claims professionals, and Legal & Compliance colleagues to provide clear guidance on coverage developments, industry trends and new exposures in the relevant lines of business
- Providing guidance to Chubb Group regarding Bermuda law and regulation as respects Chubb operations in Bermuda, the United States, Europe and globally, and assist Government Affairs, Global Tax, and other groups with respect to Bermuda regulatory and trade association activities

The successful applicant will possess:

- A four-year undergraduate degree from an accredited college or university
- A law degree from an accredited United States law school
- Admission to the bar in a United States jurisdiction, preferably New York
- Strong understanding of the United States tort system and insurance-coverage principles, with a focus on Bermuda forms, Financial Lines coverage, and commercial casualty insurance generally
- An understanding of relevant tax and insurance regulatory requirements and their applicability to international insurance generally, and to Bermuda specifically
- Experience working in matrix reporting and management arrangements - position will have matrix reporting responsibility to Chubb North America Legal & Compliance
- Superior analytical, oral, and written communication ability, and excellent interpersonal and negotiating skills
- The ability to foster a culture of collaboration, and individual and organisational excellence, to prioritise work, and to make decisions confidently in the presence of imperfect information
- Sound judgment, intellectual curiosity, strong attention to detail and the ability to be confident and professional while interacting with senior executives and sophisticated corporate clients and their brokers
- Good computer skills, and the ability to perform internal communications and drafting without administrative assistance
