

Our client, **Sound Decision Ltd.**, requires the services of an **Electronic Services Technician** to be responsible for repairing home electronics equipment, including commercial televisions, computers, amplifiers and car audio equipment. The company provides a wide range of electronic repairs and will vary depending on the equipment. The successful applicant will have at least five (5) years experience and possess a high level of expertise on various electronic and mechanical systems. Must be able to diagnose problems in malfunctioning equipment, recognizing wiring or device components that require repair or replacement. This position entails extensive mechanical work, as well as the ability to communicate clearly with customers regarding the nature of and solution to their equipment problems; quote costs, keep accurate records and manage diagrams and manuals. A technical or vocational certification would be an asset.

Interested applicants are invited to submit their resume and two employment references to **Sound Decision Ltd. c/o Wright Consulting, P O Box DV 569, Devonshire DV BX.**
