

Senior Actuarial Analyst

Oil Management Services invites applications for the open position of **Senior Actuarial Analyst**. Reporting to the Senior Vice President & Chief Actuary, you will lead actuarial and capital modeling projects and liaise with internal and external stakeholders. This position requires a highly motivated individual with a strong analytical background, excellent communication skills and the ability to work with minimal direction.

Key Duties and Responsibilities:

- Lead actuarial and capital modeling projects within the Actuarial team and provide support to the Chief Actuary
- Develop and enhance proprietary loss models, pricing models and capital models
- Run quarterly capital models, evaluate model output and provide management reports
- Work with various departments to update rating agency and regulatory capital models
- Provide analytical evaluations of reinsurance treaties (assumed and ceded reinsurance)
- Liaise with brokers, consultants and modeling vendors to ensure access to current actuarial and capital modeling tools
- Enhance the actuarial modeling workflow, automate processes and increase operational and reporting efficiencies
- Other related duties, as required

Qualifications and Experience:

- University degree in Actuarial Science, Mathematics, Finance, Risk Management or similar field
- Minimum of five years work experience within the property/casualty (re)insurance sector in an Actuarial or Capital Modeling role
- Successful completion of at least three actuarial exams with a firm commitment to attaining ACAS or FCAS
- Expert knowledge of capital modeling software (preferably MetaRisk or ReMetrica)
- Experience working with rating agency and regulatory capital models
- Experience working with catastrophe modeling tools (preferably RMS or AIR)
- Highly proficient in Excel, VBA and MS Office suite
- Excellent verbal and written communication skills

If your experience, talents and ambitions match our requirements, we would like to hear from you. Oil Management Services Ltd. is an equal opportunity employer and is committed to training and developing its employees.

Please apply in confidence and by email to:

hr@omsl.bm

including your resume and a detailed cover letter setting out why you are a good fit for this role.

CLOSING DATE:

FRIDAY, NOVEMBER 19, 2021
