

# Resolution Life

Resolution Life Group's mission is to build a global, diversified and lasting life insurance company. Our focus is providing excellent policyholder service and delivering sustainable financial results within a well-controlled risk framework.

To support our continued rapid growth, **Resolution Life Group Holdings Ltd.** invites applications for the Bermuda based, newly created position of:

## Staff Accountant

Reporting to the AVP, Financial Reporting this is a 'hands-on' role designed to support the consolidated financial reporting requirements of the group.

### Key responsibilities will include:

- Preparing and posting of journal entries throughout the month as well as during month-end close, including accruals and adjustments.
- Supporting the group consolidation process including reconciliation of inter-company balances.
- Assisting with the development of quarter-end and year-end financial statements.
- Assisting with audits (external and internal) and preparing appropriate audit work papers.
- Maintaining records of the organization's financial activity in accordance with GAAP and organizational standards.

### The preferred candidate will have:

- Accounting/finance experience, with a focus on insurance, investments or public accounting.
- An internationally recognized accounting designation such as CA, CPA etc. with expertise in US GAAP / IFRS.
- Excellent verbal and written communication skills.
- Strong analytical skills coupled with experience in effective project management.
- Prior experience with Oracle products would be advantageous.

**Resolution Life Group** is proud to support our teams' personal and professional growth and well-being through learning and development opportunities, an active corporate social responsibility program, and initiatives that embed diversity and inclusion into our culture.
