

# Join a team who cares about excellence

## CLINICAL RESOURCE NURSE

### ASCENDANT PARTNER REWARD MEDICAL SURGICAL SERVICES

**BHB** ensures the highest in quality health care through service excellence, education and leadership. We seek qualified, highly motivated, and experienced professionals to work in a supportive but demanding environment.

Under the direct supervision of the Clinical Manager, the Clinical Resource Nurse is responsible for supporting the daily operations of the unit. The primary ways in which the resource nurse supports the unit are through addressing staffing needs on an ongoing basis, facilitating throughput of admissions and discharges, assisting with direct patient care as needed, and role modelling effective collaboration and conflict management with patients, families and other members of the healthcare team.

#### **Key responsibilities include:**

- Responsible for collaborating with the Clinical Manager, other members of the nursing leadership team, and the Admitting Department or Nursing Office to ensure smooth flow of patients admitted to the unit in a timely manner
- Responsible for working with nursing staff, medical teams and case management to identify all discharges and potential discharges at the beginning of the shift and on an ongoing basis
- Responsible for collaborating with operations staff to ensure discharge information is processed in a timely and accurate manner
- Provides direction, support, and assistance to staff in the assessment of the patients' needs, the development of patient care plans and interventions
- Organizes and participates in regular patient care conferences/rounds
- Maintains awareness of staffing levels vs. patients' acuity and bed status. This includes awareness of nurse : patient ratio redistribution of patient assignment as necessary
- Functions as a team leader as required. Utilizes clinical, hospitals and community resources efficiently. Participates in unit Quality Improvement activities and approved research projects

#### **Qualifications &/ Registration required:**

- Bachelor Science Degree Nursing (BSN), required
- Nursing Certification in Medical/Surgical nursing or equivalent would be an asset
- 2-3 years post-graduate experience and excellent clinical skills required
- Current registration with the Bermuda Nursing Council (BNC), required
- Membership with the Bermuda Nurses Association (BNA), encouraged

**Schedule:** 35 hours per week. Some shifts and weekends as required

**Closing date for applications is December 3, 2021.** Pre-employment substance abuse screening is mandatory for all successful candidates.

If you want to make a difference, and if your experience and qualifications match the above criteria,  
**visit [www.bermudahospitals.com](http://www.bermudahospitals.com), and apply through BHB Jobs NOW.**  
Select "Work at BHB" and follow the steps.
