IV THERAPY NURSE

I.V. THERAPY DEPARTMENT

BHB ensures the highest in quality health care through service excellence, education and leadership. We seek qualified, highly motivated, and experienced professionals to work in a supportive but demanding environment.

Key responsibilities include:

- Reviews Physicians orders for phlebotomy and/or intravenous therapy, assesses clients, formulates a plan, executes intervention and evaluates outcomes
- Identifies appropriate individual patient needs and point of care as they relate to phlebotomy and/or intravenous therapy and is able to apply a multi-disciplinary collaborative effort of support services/healthcare
- Skillfully performs venipunctures
- Monitors and cares for patient population from pediatric to the elderly
- Provides knowledgeable care and maintenance of all vascular access devices including triple lumen catheters, Hickman, Broviac, and PICC's and implanted port-a-caths
- Skillfully performing central line removal, when indicated (with the exception of tunneled and implanted central venous catheters)
- Monitors proper utilization of vascular access and infusion equipment
- Participates in the care of patients receiving specific intravenous therapy including Total Parenteral Nutrition (TPN), Patient Controlled Analgesia (PCA) and/or blood/blood products
- Participates with ongoing education initiatives for healthcare providers, patient and their families
- Facilitates staff competencies as it relates to IV therapy

Qualifications &/ Registration required:

- Registered Nurse with current BNC license
- Nursing degree with 5 years' experience in related acute area preferred
- Current BHB IV / Phlebotomy Certification and current CPR, ACLS
- Minimum 1-year experience in vascular access as it relates to Phlebotomy and IV Therapy. Must be willing to obtain International IV Certification (CVAA/INS) within one year
- Experience in physical assessment essential

Closing date for applications is: 20 December 2021. Pre-employment substance abuse screening is mandatory for all successful candidates.

If you want to make a difference, and if your experience and qualifications match the above criteria,
