Exciting career opportunities with rapidly growing Bermuda reinsurer

Our client is a recently established and rapidly growing Bermuda reinsurer, affiliated with a global investment firm that has committed significant capital into the life/annuity insurance space. The company is highly rated, reflecting its balance sheet strength and strategic vision, and has closed multiple significant transactions.

Due to its growth and ambition, the company is looking to hire talented and ambitious professionals across several of its core disciplines. Qualities required will include the ability to thrive in a start-up and fast-paced environment; aptitude to work independently and resolve issues; and confidence and clarity of thought in dealing with group senior management. Opportunities exist in the following areas:

Finance.

- Deputy to the CFO, as Director of Finance / Controller. Potentially suited to a Life Reinsurance controller, VP Finance or equivalent from industry; or to a Director or Senior Manager from an accounting company, with strong, technical Life Reinsurance experience.
- Reinsurance Accounting Senior Accountant or Manager, focusing on reinsurance transaction accounting and reporting under US GAAP, US STAT and EBS / BSCR. Potentially suited to a candidate performing a similar role in industry; or at Manager level or above within the accounting firm.

Actuarial

- The company has several actuarial vacancies to fill at different levels of seniority, focused on Pricing; and Valuation. We are interested in talking to qualified actuaries (FSA or equivalent, such as FCIA/FIA) with several years' annuity reinsurance actuarial experience; GGY Axis experience would be preferred.

Legal

- The company wishes to hire a Senior Legal Counsel: a qualified lawyer with c 5-8+ years' corporate experience, which will include handling procurement, compliance, dealing with reinsurance treaties. This will be the senior legal role in Bermuda, working in close conjunction with external counsel and the company's US legal function.
