

AON INSURANCE MANAGERS (BERMUDA) LTD.

requires

ACCOUNT EXECUTIVES

Aon Insurance Managers (AIM) is a leading professional services firm in Bermuda and manages approx. 200 re/insurance entities with a multidisciplinary team of 55 professionals. AIM has two practices – Captive Management and Underwriting Solutions. Underwriting Solutions includes the management of complex commercial re/insurance (Life and Non-life) entities, Insurance Linked Securities (“ILS”) (commercial ILS, Cat Bonds, Mortgage Bonds), and White Rock, a Segregated Accounts Company, offering solutions for fronting, retention cells, warehousing, market access and collateralized reinsurance solutions. We are seeking to employ Account Executives.

The successful candidate(s) will be responsible for the day-to-day administrative and accounting functions of a portfolio of captive accounts specifically:

Core responsibilities:

- Preparation of financial statements in accordance with US GAAP or IFRS, as well as the insurance regulatory environment.
- Preparation of periodic reports, detailed analyses and working paper files accompanying financial statements.
- Oversee annual audits and annual statutory reporting.
- Organization of client meetings including presentation of financial information at director and shareholder meetings Participation in new business development and prospect meetings.
- Develop as part of the client service team additional services to existing clients.
- Maintenance and development of client relationships.

Additionally, the successful candidate(s) will assume responsibility for the accounting functions of a variety of capital market and commercial clients if required.

Position requirements:

- An accounting designation (CA, CPA, ACA, ACCA).
- Recent experience in the insurance industry, preferably with captives, would be advantageous.
- Excellent communication, presentation and interpersonal skills.
- Ability to analyze and communicate financial results.
- Familiarity with US GAAP or IFRS as well as the insurance regulatory environment.
- Familiar with US tax issues/implications.
- Strong computer skills, specifically with Microsoft Office Software, such as Excel and Word and familiarity with insurance-based accounting systems.
- Prior experience with a general ledger/underwriting package would be advantageous.
- Ability to work independently and within a structured team environment. Highly organized and motivated with an acute attention to detail.
