Excavating, Trenching & Trucking

Alternative Concrete Solutions provides a range of services including excavation, trenching services and general trucking for a range of clients. Our business is growing, and we are looking to hire additional dynamic individuals to join our team. See positions below:

- A Class Machine Operators holding heavy truck licenses. Must be able to operate and maintain machinery.
- Masons having at least 7 to 10 years experience.

Both positions call for the ability to bend and stand, a willingness to work late or early hours, weekends and overtime if necessary. Also, must be able to work in a team environment, be dependable and punctual.

Please apply in writing to [**acsbermuda@gmail.com**](mailto:acsbermuda@gmail.com) or call 505-5542 to express interest in these roles. Application deadline is Monday, March 28th, 2022.
