

## **QUALIFIED AUTO BODY TECHNICIAN**

Applicant must have extensive experience in automotive industry for this position in our busy auto body department. The successful applicant must have the following:

- A minimum of 10 years practical working experience in auto body in a garage setting
- Experience in using chassis alignment and plastic welding equipment and the use of the Spraybake Paint booth.
- A City & Guilds or equivalent certification is essential
- Ability to work well with others, manage their own time and supervise apprentices when needed.
- Be an excellent time keeper

This position requires a self-motivated, flexible individual who can work without supervision, including overtime when required to meet deadlines and work load.

An attractive, competitive salary and benefits package is offered. Please apply with resume and references (which will be checked) to:
