Expertise

Industry Experience.
Career Development.
Flexibility.

What's next in your Accounting career?

If gaining industry experience, career development and flexible working arrangements are among your career goals, we want to hear from you.

Expertise is currently adding to its team of qualified accounting professionals who are placed with clients on a project or contract basis.

Presently, demand is particularly high for the placement of accountants in the insurance and reinsurance industry, ILS, fintech, investments and banking, including some start-ups.
