

ROLE: VP - Finance
CLOSING DATE: April 6th, 2022
DEPARTMENT: Finance
REPORTS TO: Head of Capital Development & Investor Relations
TO APPLY: <https://arielre.bamboohr.com/jobs/view.php?id=58>

The role

The VP, Finance role supports the Head of Capital Development & Investor Relations in leading the annual capital raising process and day-to-day management of existing investor relationships. The role will involve developing and enhancing management and investor reports highlighting Ariel Re's differentiation. This dynamic role requires a multi-tasking, detail orientated, technically experienced individual. Responsibilities include contributing toward various, ongoing local and Group finance and capital initiatives.

Duties and Responsibilities

- Actively drive the annual underwriting capital raising process – develop offering memorandum materials, participate in the solicitation meetings, lead investor due diligence process, etc.
- Manage existing investor relations – organize quarterly financial reporting and meetings, address investor requests and lead special projects
- Work with the team to develop new capital structures – sidecars, collateralized reinsurance, new rated underwriting vehicles
- Drive the timely and accurate reporting of financial results and related management information to support internal and external stakeholders
- Work closely with other Ariel Re teams (e.g., Underwriting, Analytics, Claims, etc.) to develop effective management reports highlighting Ariel Re's differentiation
- Manage strategic special projects and be able to undertake complex ad hoc data requests and database interrogations

Role Requirements, Qualifications, Skills & Competencies

- CA, CPA, ACA or other equivalent accounting designation with 5 plus

- years of external audit experience
- An additional 3 to 5 years relevant industry experience
- Associate in Reinsurance designation
- Progress toward CPCU, ACII or other equivalent underwriting designation
- Recent experience in raising (re) insurance underwriting capital, developing an understanding of investor investment structural requirements and return expectations
- Recent experience in developing new investor capital structures
- Recent experience in managing existing investor relationships
- Recent experience in developing and maintaining effective management reports using advanced tools – e.g., PowerBI, SQL Databases, etc.
- Recent experience Lloyd's structural capital requirements and reporting
- Recent extensive experience in reinsurance accounting and exposure to reinsurance systems
- Working knowledge of IFRS, UK GAAP, Lloyd's and BMA reporting requirements
- Recent experience in leading / managing / mentoring teams and working in agile team environment
- Expert proficiency with the Microsoft Office Suite of applications, notably Excel
- Excellent verbal and written communication skills
- Flexibility to work nontraditional office hours as needed

Our commitment to you

An opportunity to join a highly reputable, global organization and work within a team of talented and innovative professionals.

A rewards package that includes:

- Competitive salary and profit sharing arrangement
- Comprehensive benefits, including health and wellness plans, life insurance and retirement planning
- Opportunities to support your career development
