

Full Time Registered Nurse

Our client, Bermuda Home Dialysis Services, requires an experienced Full Time Registered Nurse to join their small private practice.

The Full Time Registered Nurse will be responsible for nursing clinical care, patient training and dialysis education. The successful incumbent must have solid home dialysis experience including the ability to teach patients and manage complex chronically ill patients in outpatient setting.

Minimum Qualifications, Skills & Experience:

- Minimum of 5 years experience within similar capacity with management experience
- Proven working experience with outpatient home and peritoneal dialysis as well as hemodialysis nursing
- Valid Bermuda Nursing License and CPR / First Aid certificate
- Valid Bermuda Driver's license
- Must possess a positive attitude and strong interpersonal communication skills
- Proven track record of accountability and ability to manage time effectively

To apply please send your résumé to jobs@expertisegroup.com. All applications are handled in a confidential manner and in accordance with Expertise's Privacy Policy, available on our website.

Closing Date: April 25, 2022
