SENIOR MANAGEMENT ACCOUNTANT

Accountant General's Department
Salary: PS 37 \$123,045
Job Number: DHR02431

The Senior Management Accountant works under the direction of the Assistant Accountant General and is responsible for managing financial reporting and accounting functions in accordance with the established policies and procedures and the relevant legislation, to properly record and report on the results of the financial operations of Government departments, which would contribute to the effectiveness of Government policy making functions and the control of Government Funds. The post holder also supervises the work of accountants, who provide professional accounting services to departments, including the preparation of the annual financial statements.

Applicants must be professionally qualified in Accounting and be a full member of an internationally recognized accounting body and eligible for membership in Chartered Professional Accountants (CPA) Bermuda. They must maintain membership in an internationally recognized professional association/institute and must also be current with continuing professional education requirements for their designation. In addition, a minimum of four to six years of relevant post qualification experience in all aspects of accounting and public authority. This experience must also include one to two years of supervisory experience and accounting at the senior level.

Closing date: 27th April, 2022
