

KAM Custom Cleaning Services is seeking an applicant for a long-term/full time position as an Experienced Cleaning Technician. This is a demanding position that requires a very mature adult capable of performing detailed and specific cleaning duties daily with minimal supervision.

The successful applicant must possess the following qualifications:

- Minimum of 5 years' experience in a similar position
- A valid IN van license
- Reliable transportation to arrive at jobsites/office on time
- A robust knowledge of cleaning supplies, equipment and the various substrates in which they are to be used on.
- The ability to operate 20" auto-scrubbers, high speed burnishers and various other types of cleaning equipment.
- The ability to work early hours, late hours, weekends and public holidays to complete projects.
- The ability to be a problem solver and a team player.
- The ability to liaise with all clients on a professional level to ensure time keeping and quality control.
- The ability to perform light restoration where required.

Applicants may send their resumes with references via e-mail only to: **mike@kam.bm**, no phone calls please.

Closing date will be April 29, 2022
