

Live-Out Caregiver

Mrs. Sharon Davis is seeking a diligent and caring individual to provide caregiver support to a stroke recovery patient in her home. The role will require daily hours but will involve split shifts (i.e. mornings and evenings) as well as hours on the weekend and public holidays (40 to 45 hours per week). The successful incumbent must be flexible as the hours may shift each week depending on appointments, therapies, etc.

The job will entail supporting Mrs. Davis continuing to work towards independence whilst providing all aspects of caregiving including support with daily routines and hygiene (dressing, bathing, etc.) and will also involve meal preparation, support with therapies and driving this person to various appointments during the week. There will also be light housekeeping duties required.

The successful candidate must possess at least 5 years of experience caregiving in a similar role including at least two years' experience working with a person recovering from a stroke. They will also possess a valid driver's license, a willing attitude, exceptional references, and must be CPR/First Aid certified. This is a physically demanding position that requires significant upper body strength to assist with transfers etc.

Applications should include an up to date CV, and two references, which will be checked. Please send to [**liveoutcaregiver@gmail.com**](mailto:liveoutcaregiver@gmail.com). The deadline for application is May11, 2022.
