

Registered Nurse

Our client, Bermuda Home Dialysis Services, requires an experienced Registered Nurse to join their small private practice.

Duties will include patient training for home dialysis, education, and clinical care. The Registered Nurse must be self-directed and able to coordinate patient care and all aspects of the nursing process. The successful candidate must have excellent communication skills with strong focus on customer care and must be able to work effectively in a multidisciplinary team. Work hours will be from 8am to 4pm Monday to Friday.

Minimum Qualifications, Skills & Experience

- 3 years experience working with chronic illnesses within an outpatient care capacity
- 2 years of demonstrated experience coordinating patient care and scheduling
- Valid Bermuda Nursing License and CPR certification
- Experience utilizing critical thinking and evidence based nursing practices is required
- Must have excellent communication skills and a positive attitude with patients and coworkers
- Proven track record of accountability and ability to manage time effectively
- Skilled with computers and Microsoft office programs, Excel and Word
- Valid Bermuda Driver's license
