Financial Advisory Manager - Insolvency & Restructuring

You'll be responsible for managing a portfolio of liquidations, formal insolvency cases, and corporate restructuring. You'll work closely with lawyers as well as senior stakeholders across our client organizations and solve complex issues. Driving quality and excellent client service, while continuously developing and mentoring your team is a top priority.

The standard requirements of this role include:

- An internationally recognized professional qualification (CPA, CA, ACCA, CPI, JIEB, LLM). Qualification in a common law jurisdiction would be a significant advantage.
- At least 5 years of relevant experience in insolvency and restructuring services, or a combination of audit, financial advisory, or a combination of related services, and a minimum of 2 years at a Senior Associate level.

All candidates must have demonstrated skills in client service and project management relevant to the role. This position requires inclusive team contributors, who have the proven ability to interact with a wide diversity of people across our organization. Candidates must have the ability to work a flexible schedule as needed.
