

SENIOR BEHAVIOR THERAPIST

Intuition Ltd are currently looking for a motivated, well-organized, dynamic individual to join the team as a **Senior Behavior Therapist**. The Senior Behavior Therapist will work alongside BCBAs (Board Certified Behavior Analysts) in designing and implementing ABA-based individualized behaviour interventions to children and young people with behaviour challenges in school and home settings. The Senior Behavior Therapist will support the BCBAs in training and mentoring junior therapists, delivering specialised training to parents and staff, designing and running summer camp trainings, and managing Intuition's team of therapists.

Key Duties and Responsibilities:

- Create and implement individual behavior goals that are realistic and achievable
- Ensure accurate data collection, update programs, and ensure clear strategies and goals can be demonstrated in documentation
- Design school-wide professional development opportunities and present material catered to behavioral analytical strategies and interventions
- Assist in mentoring, training, and supervising junior therapists
- Work collaboratively with other professionals to assist in behavior change programming
- Provide ongoing support to junior therapists through theory sessions, modelling, and direct feedback in real time
- Assist with other outreach and consultation services within and outside normal business hours - evenings and weekends

Minimum Qualifications, Skills, and Experience:

- Undergraduate degree in behavior analysis, education or psychology is required
- Graduate Degree (masters or doctoral) in behavior analysis, education or psychology is required
- Must have completed ABA training and/or hold certifications in behavioral management and antecedent interventions
- Minimum 5 years professional experience working with clients within autism spectrum disorders and/or developmental disabilities
- Minimum 5 years of recent hands-on experience with clients using a range of curriculum and assessment tools
- Must have experience with training junior therapists and supporting them in implementing behavior programs
- Experience with designing and delivering parent training is preferred
- Experience with managing multidisciplinary teams is preferred
- Must be compassionate, energetic, enthusiastic, and highly motivated to work with individuals with behavioral issues
- A good working knowledge with all MS Office programs (Word, PowerPoint) is required

Suitably qualified candidates can apply by forwarding their resume to **intuitionltd.bda@gmail.com**.

Closing Date: May 24, 2022.
