

## **Summer Internship**

Enstar Limited, a wholly-owned subsidiary of Enstar Group Limited, a Nasdaq-listed leading global (re)insurance group that acquires and manages companies and portfolios of (re)insurance business in run-off, is offering an exciting opportunity for a university student or graduate to gain experience across a wide range of financial disciplines within a public insurance company.

This is a 10-week full-time paid internship, created to support the next generation of talent in finding meaningful, structured professional development experiences and defining their future within the insurance industry. During your 10 weeks with Enstar, you'll receive numerous training experiences to help build your personal and professional skills.

### **Key Responsibilities:**

You'll be involved in local activities with the opportunity to network with our global team. Examples of things you will be working on during the program include:

- Completing a self-reflection journal; giving you an opportunity to learn about yourself, the role, and the insurance industry
- "Is there a better way?"; a two-week challenge where you will identify a business/process issue, research and propose a solution
- Continuously developing your personal brand through soft-skills sessions and networking such as personal motivation, emotional intelligence, and personal credibility
- Taking part in virtual workshops to understand your working style, how to relate to others and how to communicate effectively

In addition, you'll receive training and exposure to:

- Preparing U.S. GAAP financial statements and SEC Filings
- Board and management reporting, including financial analysis
- Regulatory reporting, including BMA filings
- Consolidation accounting
- Technical reinsurance accounting
- Service company accounting
- Investment accounting
- Internal controls in a SOx compliant environment

### **Minimum Qualifications, Skills, and Experience:**

- A Bachelor's degree or progress towards a Bachelor's degree in relevant field (e.g. Accounting, Finance or Business)
- Progress towards or intention to work towards an internationally recognized accounting designation (e.g. CPA, CA or ACCA)
- Good understanding of finance and accounting concepts
- Working knowledge of Microsoft Office suite
- Motivated with a strong sense of ownership and initiative
- Ability to work both independently and as part of team
- Strong organizational and time management skills
- Solid verbal and written communication skills
- Excellent interpersonal skills
