### **Qualified Butcher Supervisor**

The Butcher Supervisor will work closely with and assist the Meat Manager and Butcher Assistant Manager in maintaining the highest department standards in all areas related to the butcher room including work safety, hygiene, quality control, customer-service and product selection as outlined by the Meat Manager. The successful applicant must possess a minimum of 5 years' experience in all aspects of fresh and frozen meat, poultry and seafood preparation and display, including the handling and maintenance of all related electrical and nonelectrical equipment and possess certification in food safety fundamentals. The successful applicant must be neat in appearance, hard-working and self-motivated with the willingness and ability to lift 60+lb cases of meat and be available to work split shifts, Sundays and public holidays, if required.

### **Butcher Assistant Manager**

The Butcher Assistant Manager will work closely with and assist the Meat Manager in maintaining and / or developing policies and procedures related to the butcher department. The Butcher Assistant Manager will also have responsibility for training and developing trainee butchers and providing ongoing supervision of butchers in the department. In addition, the Butcher Assistant Manager must maintain the highest department standards in all areas related to the butcher room including work safety, hygiene, quality control, customer-service and product selection as outlined by the Meat Manager. The successful applicant must possess a minimum of 5 years' experience in all aspects of fresh and frozen meat, poultry and seafood preparation and display, including the handling and maintenance of all related electrical and nonelectrical equipment and possess certification in food safety fundamentals. The successful applicant must be neat in appearance, hard-working and self-motivated with the willingness and ability to lift 60+lb cases of meat and be available to work split shifts, Sundays and public holidays, if required.
