

HAMILTON

We're writing the future of risk.

Hamilton Insurance Group, Ltd. ("Hamilton") is a Bermuda-headquartered company that underwrites specialty insurance and reinsurance risks on a global basis through its wholly-owned subsidiaries. Hamilton leverages analytics and research to create underwriting and investment value for its clients and shareholders.

We're looking for a Technical Product Analyst

Based in Bermuda or the US, reporting to the Product Manager, Underwriting Solutions, this role will assist in the delivery of our digital trading capabilities across our reinsurance/insurance platforms. This includes the implementation and support of solutions, both proprietary and third-party tools, supporting the effectiveness and efficiency of the business. . You'll support Hamilton's mission of writing the future of risk by applying intelligent, innovative, and informative technology.

What you will help us do

- Engage with the business to identify and develop reliable user-friendly solutions and tools that will create efficiencies supporting organizational scale and success
- Engage with the wider technology team and business to drive innovative capabilities across the business
- Assimilate requirements and needs from the users to develop fixes and enhancements to existing automation tools and solutions
- Embrace and participate in an agile implementation culture

What you require for the role

- A minimum of 5 years' experience of working within the insurance industry in a similar role
- Technical proficiency in Power Apps, Power Automate, and SQL
- Ability to communicate with the business to identify problems, then develop and implement solutions
- Proficient in Azure DevOps and the Software Development Life Cycle (SDLC)
- Highly collaborative, with ability to work both independently and as part of a team

What you can expect from us

Join us, and we will ask you to Be smart, Be sensible, Be open and, above all else, Be more—strive harder, reach further, never give up. These First Principles are the intellectual and moral compass of everyone at Hamilton. They shape the way we build our team, the way we work and the way we will prosper.

We're committed to creating an inclusive workspace where all employees thrive. We embrace all backgrounds, perspectives, experiences and talents – without discrimination. Whatever differences set you apart, whether visible or invisible, you will be welcome at Hamilton.
