

PROGRESS. PASSION. POSSIBILITIES.

At KPMG our goal is to be the Clear Choice for our Clients, our People and our Community.

KPMG professionals are individuals who take deep, personal accountability for their work; have a passion for excellence; remain driven to achieve their full potential; and understand the value of building relationships with clients, future clients, their communities, the global firm and each other. A KPMG professional has a strong work ethic, thrives on challenges, and is dedicated to providing outstanding client services.

Associate – Deal Advisory

KPMG Advisory is looking for an Associate with experience and proven track record in Deal Advisory (Corporate Finance, Valuations), including, but not limited to, experience in working on a diverse portfolio of engagements with multi-disciplinary teams to deliver the following services:

Role and Responsibilities include:

- Financial modelling – project finance and cash flow modelling;
- Business and intangible valuation services; and
- Sector-specific research and quantitative analysis.

Candidates must have the following qualifications, skills and attributes:

- A Bachelors degree in a relevant field or above;
- Proven working knowledge of business and intangible valuations and experience utilizing research tools such as S&P Capital IQ and Bloomberg;
- An accounting or financial analysis qualification is preferred;
- Good presentation skills as the role requires ability to competently discuss related matters with clients;
- Solid business development skills and client relationship skills is preferred;
- First class written and oral communication skills with the ability to produce and review complex financial reports and proposals;
- Be a strong team player with a proven ability to work effectively with senior management;
- A self-motivated individual with the ability to multi-task on a daily basis and maintain high levels of drive and resilience;
- A high degree of competence in Microsoft Word, Excel, PowerPoint and Outlook is required;
- A willingness and capacity to work overtime at short notice is essential as this is a highly demanding environment often with tight reporting deadlines; and
- Previous experience in the insurance and/or broader financial services sectors are beneficial but not essential for this role.
