

STEVEDORING SERVICES LIMITED

INDUSTRIAL PAINTER REQUIRED

Stevedoring Services Limited (SSL) is the terminal operator of Bermuda's only cargo port.

SSL is seeking the services of an industrial painter to prep and finish coat our fleet of cargo handling equipment. This includes cranes, forklifts and lift stackers.

The successful applicant will be expected to (amongst other things):

- *Clean all surfaces prior to applying paint*
- *Maintain technical equipment for the job and ensure that it is in working order*
- *Possess a wide array of painting tools and equipment for the job*
- *Ensure high safety standards are met*
- *Utilize different painting techniques based on the nature of the surface*
- *Remove previous paint surfaces*

The selected applicant will:

- *Have experience painting a variety of surface types*
- *Be proficient with technical machinery*
- *Be diligent and have attention to detail*
- *Have good organizational skills*
- *Have good verbal communication*

Interested applicants should submit their CV (including their cost per hour, references and/or testimonials) to wjones@stevedoring.bm or submit their information in person to the attention of Warren Jones at Stevedore House, 38 Front Street, Hamilton by not later than Friday 12 August, 2022
