

The BF&M difference?
Insurance the way
it should be.

STRONG

PROGRESSIVE

GROWING

Who we are:

Across the BF&M group of companies, great talent is at the core of our success.

Throughout the jurisdictions in which we operate, we are dedicated to supporting our people through training, recognition, and employee appreciation events. We encourage collaboration with colleagues in multiple locations.

We are committed to being an equal opportunity employer that values diversity and inclusion in the workplace.

Legal Counsel

Reporting directly into the Group General Counsel, the Legal Counsel is responsible for assisting in the management of legal and compliance risk for the BF&M group of companies in its key operating jurisdictions, Bermuda and the Cayman Islands, as well as its other operating jurisdictions throughout the Caribbean.

The successful candidate will have 0-2 years' post qualification experience advising regulated entities including insurers, banks, investment managers, trust companies or fund administrators with the ability to establish strong rapport with internal stakeholders across multiple jurisdictions and develop sound and trusted relationships at Group level. Insurance experience is an asset.

Key areas of responsibility include:

- Provide technical knowledge and understanding of Bermuda and Cayman (and other operating jurisdictions in the Caribbean region) laws and regulations, including economic substance, trusts, sanctions, AML, regulatory licensing, data protection
- Interface with regulators on a regular basis to maintain and enhance regulatory relationships in conjunction with the Head of Compliance and Head of Regulatory Reporting
- Monitor, consider and advise on legal and/or regulatory developments and their impact on the BF&M Group
- Communicate to stakeholders legal and regulatory risk and issues involved in any business decision
- Support in the preparation of regulatory submissions and communications
- Provide corporate support on transactions, acting as a strategic partner for the business on key initiatives
