

Our Client **BAC Universal Electric**, Bermuda's longest serving electrical contracting and supply Company, have an immediate need and invite applications for the following positions:

Generator Technician/Diesel Mechanic

The individual selected for this position will report directly to the Service Manager.

Duties & Responsibilities:

- Perform commissioning, testing and maintenance on diesel/propane generators and associated systems sized up to 2000Kw.
- Perform regular scheduled service and load testing as per maintenance contracts
- Read and interpret blueprints, specifications, system software programs, schematics, and manufacturers manuals
- Supervise, inspect and install equipment to meet all applicable codes (NFPA-70)
- Evaluate and diagnose equipment that requires servicing, as well as troubleshoot problems
- Provide specific solutions and recommendations to customers on the most efficient and cost effective methods to return equipment to proper working order
- Ability to respond to emergency calls as required

Minimum Qualification, Experience & Skills:

- 3-5 years experience servicing repairing diesel and gaseous fueled equipment generator systems or related equipment
- Strong mechanical and/or electrical aptitude
- Prior experience with brands such as Onan, Caterpillar, MTU, Siemens and Shindaiwa, Kohler
- Certifications in major generator manufacturers' equipment a plus
- Good verbal and written communication skills
- Basic computer skills
- Candidate must be self motivated, good organizational skills and be able to work with little or no supervision
- Clean intermediate driver's record a must.
- Proven competence in the troubleshooting and repair of control systems, ATS's and Sync Boards

BAC Universal Electric offers a remuneration package and comprehensive staff benefits commensurate with qualifications and experience for the position. As a member of the BAC Group of Companies, BUE adheres to a policy of a drug free work environment and reserves the right to perform pre-employment criminal background checks and random drug tests.

Interested applicants should apply in writing and submit two professional written references to:
