

PROGRESS. PASSION. POSSIBILITIES.

At KPMG our goal is to be the Clear Choice for our Clients, our People and our Community.

KPMG professionals are individuals who take deep, personal accountability for their work; have a passion for excellence; remain driven to achieve their full potential; and understand the value of building relationships with clients, future clients, their communities, the global firm and each other. A KPMG professional has a strong work ethic, thrives on challenges, and is dedicated to providing outstanding client services.

Senior Manager

KPMG's Audit department is seeking a qualified accountant to work as a Senior Manager. This position requires a mature, self-motivated individual who is well organised, hardworking, enthusiastic and professional. Candidates must be able to demonstrate these attributes and that they are capable of working with minimum supervision and be able to cope with demanding situations that require the ability to multi-task on a daily basis. This is a highly demanding environment, with very tight reporting deadlines; therefore, the willingness and capacity to work overtime at short notice is essential.

A Senior Manager in the Audit department must have the following qualifications, skills and attributes:

- An internationally recognised accounting qualification (such as ACA, CA, CPA or ACCA) with six or more years external audit experience, at least three of which are in a management role;
- Strong, in depth working knowledge of SEC requirements;
- A keen interest in providing high quality service and in being an effective and proactive member of a team focused on financial services or enterprise industry;
- A strong, current knowledge of IFRS and/or US GAAP is essential and knowledge of Canadian and Bermuda GAAP would be beneficial;
- The ability to research technical issues and to assimilate and analyse information into concise deliverables and communicate this information at executive management and Board level;
- Proven project management and interpersonal skills, which demonstrate the ability to train, coach and supervise the work of other professionals with various experience levels and technical abilities;
- Sound time management skills and proven ability to successfully manage multiple projects through to completion;
- Ability to work effectively to meet established internal and external deadlines;
- Proven networking and business development skills;
- First class written and oral communication skills;
- Excellent presentation skills to produce and review complex financial reports and proposals;
- Exceptional people skills with the ability to work with clients and staff of all levels; and
- A high degree of competence in Microsoft Word, Excel and Outlook.
