Senior Reinsurance Finance Business Partner

Since Aspen was founded in 2002, we have become a leading, diversified specialty insurance and reinsurance company. We respond thoughtfully and creatively to find the best outcomes for our clients and business partners through carefully tailored solutions.

We believe the way we work is just as important as the work we do, and we are guided by our core values of respect, honesty, trust and professionalism. Aspen is a great place to develop your career offering an exciting and challenging environment where achievement is rewarded.

The Senior Reinsurance Finance Business Partner will provide financial management support to the Reinsurance segment as part of Reinsurance Finance team managed by the Reinsurance CFO. The Reinsurance Finance Business Partner will deliver global reinsurance financial results to the Executive Committee, Reinsurance senior management and underwriters, supporting the production of the annual financial business plan working with multiple departments across the organisation, preparing insightful analysis to support the commercial decision-making process to identify opportunities and threats. The incumbent will work in partnership with Global Underwriting Product Heads, Group MI and the Reinsurance CFO to drive the accuracy and timeliness of MI and support in the production of the annual business plan.

Key Accountabilities:

- Develop a trusted finance relationship with the Reinsurance underwriting teams in dealings with finance matters
- Produce quarterly management information for Reinsurance to ensure that they are accurate and reflect the performance of the business appropriately
- Provide commentary and analysis on the underwriting and financial performance of Reinsurance
- Communicate business performance to the relevant stakeholders, including underwriters and CFO
- Assist with the annual planning and reforecast process through interaction with the business to review their planning assumptions on premiums and expenses
- Perform quarterly SOX control testing for Reinsurance segment
- Maintain effective communication with Group and Platform Finance, Actuarial and Reinsurance Operations
- Develop a culture of constant improvement and better delivery and engagement with all key stakeholders for the Re Finance team

Skills & Experience:

- Internationally recognized professional designation (CA, ACA, CPA, CFA or equivalent)
- 5 years' post-qualification experience in a re/insurance finance role
- Knowledge and experience of US GAAP reporting and SOX control testing
- Demonstrated experience preparing and communicating reports to senior management
- Technical proficiency with Microsoft Excel is essential
- Proactive, self-motivated with a team orientation
- Strong work ethic and high energy who strives for excellence
