## Reinsurance Underwriter

SIG Re Ltd., a Bermuda-based class 3A reinsurance company, is looking for an insurance professional to join our growing team as we build out capabilities in prize indemnification, event cancellation, and parametric (re)insurance. In this role, you will utilize your skills in underwriting, actuarial science, risk management, and financial products to help grow our exposure and manage our risk. You will work directly with our Director of Reinsurance Underwriting and Business Development to learn about the markets we service and to assist with regulatory reporting, capital reserves, risk modeling, and the identification and prioritization of new business. Our lean infrastructure will allow for a highly-motivated, entrepreneurial person to have a significant impact.

### Key Duties and Responsibilities:

- Develop and maintain systems for tracking open deals and current risk for SIG Re in quota share, facultative, and excess-of-loss contracts
- Prepare reports for senior executives and or the Board of Directors with respect to company performance
- Establish and maintain relationships with vendors and brokers to generate reinsurance opportunities for SIG Re
- Maintain up-to-date knowledge about products and business conditions in contingency (re)insurance
- Learn about risk management, behavioral decision making, and financial controls as implemented within the Susquehanna international Group, LLP (SIG) group of companies

### Minimum Qualifications, Skills & Experience:

- Bachelor's Degree in related field, such as Actuarial Science, Applied Mathematics, or Finance. CPCU designation is an asset
- Ideally no more than 5 years of relevant experience, obtained within re/insurance preferred
- Demonstrated ability to work autonomously
- Strong quantitative and analytical skills
- Effective communication skills in both oral and written media
- Flexibility in a dynamic work environment
- Discretion and sensitivity in handling confidential information
- Knowledge of Microsoft Office products (Excel, Word, and Outlook)
- Programming skills (Python, Julia) preferred

To apply please send your résumé to [bdajobs@expertisegroup.com](mailto:bdajobs@expertisegroup.com). All applications are handled in a confidential manner and in accordance with Expertise's Privacy Policy, available on our website.
