ENT Practice is looking for an otolaryngologist to be responsible for treating conditions of the ear, throat, and nose. The responsibilities of an otolaryngologist include treating conditions, examining affected organs, and performing tests to determine the degree of hearing loss, speech loss, or injuries to the larynx.

To be successful as an otolaryngologist, you should demonstrate an ability to work under stressful conditions, be compassionate, and work well within a team. Ultimately, a top-notch Otolaryngologist should have good listening skills, a keen eye for detail, and strong communication skills. You should also be meticulous, analytical, and have very steady hands.

Key Responsibilities:

- Treating conditions of the ears, upper pharynx and oral cavity, larynx, nose, face and neck.
- Treating nosebleeds, tonsillectomies, adenoidectomies, infected mastoids and sinusitis.
- Assisting patients with a limited or altered sense of smell.
- Treating patients with tumours in the head or neck or patients with a defect in the ear, nose, or throat.
- Collaborating with other medical practitioners.

Qualifications & Experience:

- A Medical Degree
- Board Certified in Otolaryngology
- Must have completed an Otolaryngology Residency
- Must have a medical license.
- Good hand-eye coordination and manual dexterity.
- Perfect vision and visuospatial awareness.
- Good organizational ability.
- The ability to work well alone and within a team.

Qualified applicants must submit a cover letter as well as resume to: wmler246@gmail.com. Closing date September 22, 2022.

All enquiries will be dealt with in the strictest confidence.
