Financial Advisory - Experienced Associate - Forensic

As a Financial Advisory Experienced Associate in Forensic, you'll work with a team of industry experts on forensic accounting assignments, developing restructuring solutions for clients (including complex cases and mergers and acquisitions), and assist with valuation analysis. You enjoy complex assignments, analysing financial information, and building financial models. You'll contribute to team objectives by performing research, due diligence, collecting and analysing data, and producing draft reports. You'll work towards pursuing a relevant professional designation in the field.

The standard requirements of this role include:

- A Bachelor's degree or above in Accounting, Finance, Mathematics, Business or Law, or related field.
- Willingness to pursue a relevant professional qualification in valuation/finance (CBV, ASA, CFA) or insolvency/forensics (CPI, ICAEW Certification in Insolvency, CIRP, CFE)
- A minimum of 1-2 years experience required (within a related advisory position is preferred)
- Experience with independent business reviews would be an asset
- Proven problem solving, research, and negotiation skills
- Business etiquette and exceptional client facing manner

All candidates must have demonstrated skills in client service and project management relevant to the role. This position requires inclusive team contributors, who have the proven ability to interact with a wide diversity of people across our organization. Candidates must have the ability to work a flexible schedule as needed.

All applications should be submitted online at:
