

## VP, Specialty Reinsurance Underwriter

### About the Company:

Vantage Group Holdings Ltd is a privately held, Bermuda registered company that provides specialty re/insurance through its wholly owned subsidiaries. Companies are operating in an increasingly uncertain world. Driven by relentless curiosity, our team of trusted experts provides a fresh perspective on our clients' risks. Designed for the future, Vantage adds creativity to tech-enabled efficiency and robust analytics to address risks others avoid.

### About the Role:

The successful candidate will form an integral part of the Specialty Reinsurance Underwriting Team in writing a profitable portfolio of reinsurance business with a strong focus on data and analytics to inform risk decisions. In addition to business development, broker and client relations and underwriting responsibilities, support must be provided to the actuarial function to build and refine pricing models and portfolio management tools.

### Responsibilities will include:

- Build and foster solution-oriented broker and client relationships, leveraging industry contacts and experience to provide unique risk solutions building long-term franchise value.
- Underwrite a portfolio of Specialty reinsurance risks, working in collaboration with the Specialty underwriting team and pricing actuary.
- Manage the portfolio on an ongoing basis, interpreting data to optimize portfolio returns and manage exposures.
- Partner with Risk Management team members to enhance exposure correlation and aggregation tools.

### Qualifications & Experience:

- Bachelor's Degree required; advanced degree and/or (re)insurance designation strongly preferred.
- Minimum of 8 years of prior underwriting or broking experience required.
- Must have depth of experience within multiple Specialty Reinsurance lines; at a minimum, Marine & Energy and preferably including Aviation & Space.
- London market experience is necessary, with an established network of UK broker and UK/European client relationships; US and Asian market clients would also be favorable.
- Proven understanding of client risk solutions as well as London market dynamics.
- Prior contribution to developing analysis techniques for specialty risk submissions.
- Highly developed technical foundation in pricing and exposure management.
- Well-developed knowledge of the insurance industry and understanding of the insurance legal, compliance and regulatory environment is required.
- Developed problem solving, analytical and collaboration skills
- High level of digital competency and technical proficiency is required.
- Highly developed interpersonal skills, and ability to communicate and manage well at all levels of the organization is essential.
- High level of integrity and dependability with a strong sense of urgency and results-orientation.

### Vantage Values:

- **Do What's Right** – be a force for good, for our customers, shareholders, colleagues, industry, and communities.
