

# PROGRESS. PASSION. POSSIBILITIES.

At KPMG our goal is to be the Clear Choice for our Clients, our People and our Community.

KPMG professionals are individuals who take deep, personal accountability for their work; have a passion for excellence; remain driven to achieve their full potential; and understand the value of building relationships with clients, future clients, their communities, the global firm and each other. A KPMG professional has a strong work ethic, thrives on challenges, and is dedicated to providing outstanding client services.

## Manager

We are looking for a Manager with strong leadership skills, a proven track record in consulting services and significant experience to join our growing Advisory practice; including, but not limited to, experience in managing a diverse portfolio of engagements and working with multi-disciplinary teams to deliver the following services to public and private sector clients:

- AML/ATF compliance support, independent testing and annual AML/ATF audits in accordance with regulatory requirements;
- Regulatory Compliance consulting;
- Regulatory remediation;
- FATCA and CRS services; and
- Sanctions testing and monitoring

## Candidates must have the following qualifications, skills and attributes:

- A minimum of 3 years' experience providing advisory services to a broad range of government, healthcare and international clients;
- An undergraduate, or preferably a graduate degree in a related field is required;
- Exceptional skills in building relationships with public sector clients, particularly on complex and multi-disciplinary projects;
- Experience with developing public and healthcare policy and strategy;
- Strong project management skills with a proven ability to work in demanding situations that require the ability to multi-task on a daily basis;
- Proven business development skills demonstrating the ability to win new opportunities;
- The ability to assimilate and analyze large amounts of data into concise deliverables to provide support to the recommended change; ability to also communicate this information at executive management level;
- A high degree of competence in Microsoft Word, Excel, PowerPoint and Outlook is required;
- A willingness and capacity to work overtime and travel on short notice is essential as this is a highly demanding environment with tight reporting deadlines;
- The ability to work independently with minimum supervision; and
- Must be a mature, self-motivated individual who is well organised, hardworking, enthusiastic and professional.
