VP, Finance

Who We Are

SiriusPoint is a global (re)insurer writing a worldwide portfolio of businesses including Accident & Health, Liability, Property and Specialty.

Bermuda-headquartered and listed on the New York Stock Exchange (NYSE: SPNT), we are looking at ways to grow intelligently, underwrite profitably, and drive technology innovation in the insurance industry.

We challenge convention, disrupt the traditional way of doing things, and devise new and better solutions. We strive to be excellent in everything we do, and to continuously build knowledge and learn beyond our current skillsets.

Join Our Team

You will be a **VP, Finance** that will provide accounting support to SiriusPoint Bermuda Insurance Company Ltd., reporting to the VP Controller.

Your responsibilities will include:

- Preparing quarterly and annual financial reporting, for both internal and external purposes, following required GAAP and regulatory standards
- Coordinating and preparing Bermuda statutory filings and liaising with the regulator
- Preparing investment reconciliations and communicating with investment accounting service providers
- Assisting in the coordination of both internal and external audits
- Implementing and ensuring compliance with internal controls
- Preparing forecasts/budgets and assisting in the planning process
- Supporting the continued enhancement and ongoing development of multiple financial systems
- Performing special projects, as required

Be Yourself

We are building a differentiated culture and approach. We have shared values that drive our behavior and a culture that makes it a fun, exciting, and productive place to work and a great partner to do business with. You should be entrepreneurial, pioneering, open, and yourself.

Your Qualifications, Skills & Experience Must Include:

- Minimum of 10+ years post qualification experience (CA, CMA, CPA) in the (re)insurance sector
- Detailed knowledge of US GAAP and Bermuda Statutory regulations and reporting requirements
- Proficiency in all aspects of investment and reinsurance accounting, including experience working with segregated cell companies
- Excellent computer skills required with proficiency in Great Plains, Visma and EAS general ledgers, SICS (re)insurance accounting sub-ledger and Clearwater investment accounting software
- Strong work ethic with ownership of work
- Excellent oral and written communication skills and strong analytical skills
- CFA designation would be an asset

We Achieve More Together

We value and support the unique voices, backgrounds, lifestyles, and contributions of a diverse global employee base that contributes to our culture every day. Diversity, Equity, Inclusion, and Belonging (DEI&B) is imperative to our success.

We are building an environment that imbeds DEI&B into everything we do and enables us to unlock critical drivers of equality, innovation, and success. We want everyone to be included, valued, respected, and supported to unleash their full potential.
