

# Join a team who cares about excellence

## FACILITIES MANAGER

### FACILITIES

### BERMUDA HOSPITALS BOARD

BHB ensures the highest in quality health care through service excellence, education and leadership. We seek qualified, highly motivated, and experienced professionals to work in a supportive but demanding environment.

The successful candidate will administer and direct programs to maintain buildings, grounds, utilities and equipment owned by BHB. They will also be responsible for the co-ordination of these activities with other departments to ensure safe and efficient operations.

#### Key responsibilities include:

- establishing and administering preventive maintenance programs and budgets
- developing and managing projects for the upgrade and modification of physical plant and systems
- managing departmental personnel matters pertaining to the recruitment, training, development and performance of employees
- managing contracts and contractors for the effective delivery of services. Including interviewing, receiving and analyzing bids including blue print analysis of proposed changes

#### Qualifications &/ Registration required:

- Bachelor's degree in Engineering (Master's degree preferred)
- Chartered Engineer or Professional Engineer with local certification by Bermuda Professional Engineers Registration Council
- A minimum of seven years' progressive experience in construction, and maintenance of relevant infrastructure. Experience with large commercial facilities, healthcare and utilities would be an asset
- Certification in Facilities, Asset or Maintenance Management is preferred

Deadline Date: October 21, 2022

If you want to make a difference, and if your experience and qualifications match the above criteria,

**visit [www.bermudahospitals.com](http://www.bermudahospitals.com), and apply through BHB Jobs NOW.**
