

Senior Technical & Regulatory Reporting Accountant

Legal and General Resources Bermuda Ltd. (L&G) is the global reinsurance hub of L&G Group Plc. ("Group") and a global reinsurer of pension risk transfer ("PRT") business. They are currently seeking a Senior Technical & Regulatory Reporting Accountant to support driving the effectiveness of L&G's technical accounting function

Principal Accountabilities Include:

- Draft the on-boarding of new business proposals and ensure all new business processes are incorporated with the local control environment.
- Collaborate on and draft all technical accounting development, including the review of technical accounting committee papers.
- Support the production of the business planning and ongoing monitoring of deliverables.
- Produce slides for a company-wide regular MI pack which supports effective decision making and which is produced efficiently.
- Drafting of Board & Committee packs on year-end financials and accounting papers.
- Assist in the preparation of Finance regulatory reports and Government surveys, as and when required (i.e. FCR, BMA Stat, CPIS, AES).
- Draft the CFO report and commentary.
- Support in approving payments – invoices and claims.
- Liaise with external auditors on any accounting changes relating to new business developments and technical accounting matters.
- Populate/draft any reports required for corporate finance purposes.
- Participation in ad hoc projects as they arise and as assigned.
- Support the management of communication with the team's liaison points.
- Provide impactful recommendations and guidance to continually implement updated processes and procedures to develop new efficiencies, while retaining robust controls, leveraging the team and innovative solutions appropriately, including finance automation initiatives.

Skills and Experience Required:

- Professional accounting designation (CA, CPA, ACA or equivalent).
- Minimum of 2 years' work experience in a similar technical role.
- Life reinsurance industry experience.
- Excellent and meticulous deadline management.
- Experience working with Microsoft Office 365 suite
- A proven track record of delivering high quality financial reporting within tight deadlines.
- Technically able and commercially aware, with a demonstrated understanding of the wider business, economic, market and regulatory environment in which the business operates.
- Able to understand and apply technical aspects of external regulatory accounting requirements for Legal & General Group plc and IFRS reporting.
- Technically able and commercially aware, with a demonstrated understanding of the wider business, economic, market and regulatory environment in which the business operates.
- Must enjoy working in a fast-paced dynamic environment with demonstrated ability to juggle multiple priorities and work overtime to meet tight and competing deadlines.
