

FLEET MECHANIC

Our client, The BEST Group - a group of Bermudian companies providing services in the fleet, freight, logistics, shipping, trucking and warehousing industries, is inviting applications from suitably qualified persons to fill the role of **Fleet Mechanic**.

Responsibilities will include: Conducting regular maintenance inspections, Service and repair of various types of diesel and gas heavy equipment, including, but not limited to, diagnostics, computers, electronics and hydraulics equipment, together with the ability to perform general welding.

Applicants must be experienced mechanics with at least seven (7) years' experience servicing and repairing heavy equipment to ensure optimal service of all vehicles with minimal interruption. A solid understanding of warehouse health and safety protocols is required. Individuals with formal equipment certifications will be given first preference. Individuals must have a clean driving record, be capable of working on their own initiative, and have proven experience working in a busy environment as a team player. Applicants must be reliable and punctual and must be willing to work weekends and public holidays if necessary. As this is a physical role, applicants should be in general good health, able to comfortably perform the above duties. **Note**, this is a full-time position, so independent contractors need not apply.

Please apply no later than **October 31st 2022** by submitting your resume and at least 2 employment references who can speak to your mechanical abilities to: Performance Solutions Limited, Suite 350, 11 Bermudiana Road, Pembroke, HM08. Email: hr@psolutions.bm, Phone: 232-5270.

The BEST Group has a zero tolerance for drug and alcohol abuse. Based on the nature of the position a security check will be required.
