

IEL Limited requires
Heavy Equipment Operator/Mechanic

Applicants must have knowledge and experience in the operation of a wide range of heavy machinery and must have the knowledge to maintain the machines daily to ensure safety and upkeep of equipment. Must be able to operate and repair excavators, payloaders, bobcats, crushing and sifting equipment, power equipment and other related machinery. Must be able to safely operate all equipment, including but not limited to electronics and hydraulics equipment. Knowledge of all aspects of excavating and demolition is an asset. Must be reliable, trustworthy and a good timekeeper. Must be willing to work weekends if necessary. Due to the sensitive nature of this business, applicants must have a clean criminal record. Minimum of 5 years' proven experience in both as a heavy equipment operator and mechanic. Only applications with resume and at least 2 professional references with all duties listed above will be considered. Apply in writing to: P O Box DV 569, Devonshire DV BX, Attn: IEL Limited not later than 18 November 2022. Tel: 292-4551.
