Our client, **Kuvare Services Bermuda Ltd. ("KSB")**, a Bermuda based service provider to affiliated and regulated Bermuda-domiciled long-term reinsurers, is seeking a **Finance Manager** to be a key member of the finance team. Reporting directly to the Financial Controller, the successful applicant will be responsible for the day-to-day finance, accounting and statutory reporting functions of its affiliates and sponsored vehicles, ensuring delivery of timely, complete and accurate reporting to all stakeholders.

► FINANCE MANAGER

Key Duties and Responsibilities:

- Prepare quarterly and annual management accounts, US GAAP financial statements and Bermuda statutory reports.
- Coordinate quarterly and annual financial close process and reconciliations to meet internal and external reporting deadlines.
- Review monthly reinsurance settlements and monitor transaction reporting deadlines and investment compliance.
- Prepare and present financial reporting and insights in discussions with management and committees.
- Oversee investor level reporting, measure results against established key metrics to provide insight into reinsurance and investment results, capital forecasts and planning.
- Design and implement financial / statutory reporting and internal control policies and procedures.
- Implement and maintain financial accounting, investment accounting and risk systems.
- Liaise with internal and external actuarial resources, coordinate the year-end external audit and liaise with the BMA on day-to-day operational matters as required.
- Support and provide oversight to various areas of operations and other ad hoc projects as required.

Minimum Qualifications and Experience:

- An internationally recognized professional accounting designation with a minimum of 5 years' PQE.
- Minimum of 5 years' experience within the Bermuda life reinsurance industry, either as a service provider or working directly for a life insurer / reinsurer, including a minimum of 2 years in public accounting.
- Working experience and knowledge of fixed and variable annuities and other life products and their accounting under US GAAP, including associated deal structures (i.e. coinsurance, modified coinsurance, funds with-held).
- Strong knowledge of US GAAP, US Statutory and BMA reporting; including experience completing Capital and Solvency Returns for a life (re)insurance company under the current BSCR / EBS regime.
- Willingness and capacity to work long hours including evenings, weekends and public holidays and on short notice is essential.
