KITCHEN HYGIENE & SANITATION SUPERVISOR

Our Resort is seeking a reliable, professional and friendly individual to lead our kitchen porter / stewarding team. This position will coordinate, oversee and implement standards to ensure the cleanliness, hygiene and sanitary standards of resort's culinary operation are strictly maintained. This individual oversees their team ensuring the dishes, cutlery, pots, pans, grills, stoves, ovens, vents, etc., are properly cleaned, washed, sanitized and stored. Also responsible for floors and surfaces being properly cleaned to strict standards as well as ensuring refuse from food and beverage operations is properly contained and disposed of.

This is a supervisory level position with a priority towards ensuring all culinary/food & beverage work areas are well cleaned, safe and sanitary. Strong knowledge and proven recent hands-on experience of food and beverage operational hygiene guidelines is required. Certification in the current industry standards is necessary. The ability to guide a team and work independently with strong initiative is required. Must understand and execute highest standards of restaurant operational hygiene and sanitation guidelines. Reports directly to the Senior Sous Chefs and Executive Chef.

FOOD & BEVERAGE CAPTAIN

Professional, competent, friendly leaders to be responsible for luxury resort food & beverage services, as well as general guest services, throughout the property. Motivated reliable leaders with a minimum 2 years' proven record in F&B supervision and a minimum 5 years' experience as a waiter with ability to train, lead and organize effectively.

FOOD AND BEVERAGE SERVER

Friendly, motivated and reliable team members required with ability to demonstrate necessary skills to succeed in busy food and beverage service operation, including pool and beach operations. A minimum of 2 years' experience in a fine dining operation required or *successfully complete our Food & Beverage Server Training Course – a two-week program scheduled for early January 2022 – call or email HR to apply (Bermudians / Spouses / PRC / Status Holders only)!*

MAINTENANCE SUPERVISOR

This is a hands-on position, requiring strong initiative, innovation, dependability and accountability. Supervising day to day operations of a very busy maintenance team - ensuring all aspects of the physical plant are maintained, including organizing & conducting refurbishment projects. Diverse knowledge in mechanical, electrical, plumbing, masonry, carpentry, as well as good computer skills is required. A

minimum of 5 years' experience in hotel maintenance / overall trade or similar position experience with solid supervisory experience is needed. Heavy lifting and good health is a requirement.

HVAC MECHANIC

Minimum 5 years' experience in refrigeration and air-conditioning repairs including servicing of heat pumps. Graduate of courses in refrigeration and air-conditioning is preferred with thorough knowledge of the physics of heat transfer, air balance, refrigeration gases and all tools required to carry out duties. Ability to troubleshoot electric controls used in these systems is essential. A basic mechanical / electrical knowledge test will be required. Heavy lifting and good health will be a requirement.

MAINTENANCE MECHANIC

Responsible for maintaining fleet of vehicles (trucks and golf-carts) and an effective and efficient preventive maintenance program. Minimum of 3 years in a similar position with relevant qualifications for both petrol and diesel engines. Other trade skills such as electrical or plumbing would be a plus. Heavy lifting and good health is a requirement.

PLUMBER

Qualified journeyman plumber fully responsible for installation, repair & maintenance of plumbing systems (pvc, steel, copper & iron). Seeking highly productive self-starter requiring minimal supervision. Minimum of 2 years' experience required. This primary position must also assist in general maintenance/upgrade of the facilities. Knowledge of masonry, electrical/carpentry a plus. Heavy lifting and good health is a requirement.

GENERAL MAINTENANCE WORKER

Experience in carpentry and masonry is required to join a very busy maintenance team overseeing the upkeep of all properties and facilities for the Company. Experience in electrical or other trades is a plus. Minimum 4 years' experience, including 2 in a hotel setting is required. A highly productive self-starter with initiative to carry out work with minimal supervision is required. Heavy lifting and good health is a requirement.

LANDSCAPING SUPERVISOR

We are seeking a professional to lead our grounds teams and oversee landscaping/grounds aspects of multiple properties. This individual should be reliable, flexible with a proven record of success in this field of work. The following are the criteria needed for consideration: Must show proven successful experience directly leading a landscape team; Minimum 3 years hands on experience in landscaping/grounds care; Relevant Certification a plus; Must have in-depth knowledge in pruning techniques, turf management, various plant characteristics and needs and ability to treat pest disease problems; Must have experience in operating and maintaining grounds related machinery with strong understanding and adherence to safety procedures; Strong administrative skills including use of computer; Ability to think outside the box and come up with innovative approaches to challenges. Must have calm demeanor with a can-do attitude; Able to support and work well with fellow colleagues; Resort or hotel experience is a plus. Heavy lifting and good health is a requirement.

LANDSCAPER

Strong knowledge of landscaping with minimum 3 years' experience required to care for our vast grounds and gardens. Must have understandings in pruning techniques, turf management, plant characteristics, planting needs for various plant types and ability to recognize and treat pest & disease problems. Able to work under own initiative with good communication skills and ability to read and write in English. Must have experience with all grounds related machinery and a good understanding and adherence to safety procedures. Heavy lifting and good health is a requirement.

SPA THERAPISTS

Highly motivated fully qualified therapists are required and must have excellent customer relations skills as well as retail spa product experience. Applicants must be 21 years or older, fully qualified with a recognized Beauty Therapy qualification (City & Guilds, NVQ3, CIDESCO etc., or equivalent) with a minimum of 3 years' successful experience in performing both face and body treatments (including a variety of professional massage techniques) within a professional Spa environment.

Please apply with your detailed current resume and a minimum of two recent professional references to: Human Resources, Cambridge Beaches, 30 Kings Point Road, Sandys MA02 by mail; by fax (441) 234-3352, and also electronically via: kama.smith@cambridgebeaches.com. You may also visit the resort with your CV or Resume & References to complete an application form. While we do not require a police certificate for the interview process, should you be successful and an offer of employment be made, we will require a recent police certificate be submitted as the final step for hiring.

Deadline for receipt of applications: November 25, 2022
