

Financial Controller - Assistant Director

EY is a global leader in assurance, consulting, legal, strategy & transaction, and tax services. We hire and develop the most passionate people in their field to help build a better working world. This starts with a culture that believes in giving you the training, opportunities and creative freedom to make things better. So that whenever you join, however long you stay, the exceptional EY experience lasts a lifetime.

We are currently seeking qualified candidates to be considered for the position of Financial Controller (Assistant Director) in our Bermuda office. The successful candidate will work directly with the regional financial controller and director of finance to drive financial strategy and lead all aspects of financial control and support for the Bermuda practice; this includes financial, management and regulatory reporting, financial planning and budgetary control, internal controls, and staff supervision. The successful candidate will also be responsible for confirming the organization's compliance with financial, accounting, and other related regulatory requirements in Bermuda.

Responsibilities:

- ▶ Manage all aspects of the Bermuda finance team (financial and management reporting and analysis, budgeting and forecasting, accounts receivable, accounts payable, payroll taxes) while driving operational efficiencies and improvements
- ▶ Manage the process of preparing annual budgets, forecasts and ad hoc financial and management reporting and analysis in Bermuda
- ▶ Participate in the preparation of monthly balance sheet reconciliations
- ▶ Communicate and manage relationships with both internal and external clients and vendors
- ▶ Act as the primary contact for client service personnel in resolving problems or issues for the Bermuda practice
- ▶ Mentor and develop other members of the finance team in Bermuda and across the region

Required experience/skills/attributes:

- ▶ A bachelor's degree in finance, accounting, business, or a related field
- ▶ An internationally recognized professional accounting qualification, such as a CPA or equivalent
- ▶ A minimum of seven (7) years of progressive experience in a finance/accounting role; prior forecasting and budgeting experience, as well as experience within a professional services and/or financial services environment would be strongly preferred
- ▶ Strong analytical skills, with the ability to identify, interpret and solve complex business issues and present findings
- ▶ Strong teaming abilities with the ability to build relationships across all levels of the organization
- ▶ Excellent written and verbal communication skills; poise and confidence when interacting with top management
- ▶ Effective multitasking, prioritization, time management and delegation skills

The successful candidate must have the ability to work a flexible schedule, as well as a dedication to teamwork and integrity within a professional environment.
