

Put your skills to work in new and unexpected ways, powered by the latest technology

Bring your experiences. Grow your skills. Make your mark.

PwC Bermuda is seeking qualified Accountants who bring unique skills and perspective to a diverse community of solvers within our Assurance, Accounting Service and Advisory practices. You will have the opportunity to create impact with high profile clients in a tech powered environment while contributing to our local community.

Experienced Associate

Capabilities/Skills Required:

- Bachelor's degree from an accredited University;
- Masters degree with specialisation in accounting from an accredited university is preferred but not required;
- Minimum of 12 months recent work experience at a public accounting, or equivalent service organization; and
- Must have written, or be scheduled to write all exams towards an internationally recognised accounting designation such as the CPA, CA, ACA or ACCA.

Senior Associate

Capabilities/Skills Required:

- Minimum of 3 years recent work experience at a public accounting, or equivalent service organization; and
- Must have written, or be scheduled to write all exams towards an internationally recognised accounting designation such as the CPA, CA, ACA or ACCA.

Manager and Senior Manager

Capabilities/Skills Required:

- Internationally recognised accounting designation such as the CPA, CA, ACA or ACCA; plus
- Minimum of 5 years (recent) work experience at a public accounting, or equivalent service organization; At the Senior Manager level, over 8 years recent Big 4 or similar public accounting firm experience is required; and
- Proven managerial capabilities and operational experience essential for both levels.

Director

Capabilities/Skills Required:

- An internationally recognised accounting designation, such as the CPA, CA, ACA or ACCA;
- A minimum of 10 years (recent) work experience at a public accounting, or equivalent service organization;
- Proven leadership capabilities and operational experience;
- Experience in the financial services industry is required; and
- Strong analytical, interpersonal and communication skills (both spoken and written) are essential, as is the ability to coach and mentor managers and staff.

Required Skills for All Roles:

- Knowledge of internationally recognised accounting standards, such as US GAAP, IFRS, Canadian or UK GAAP. PCAOB knowledge and experience will be an advantage;
- Strong digital and technical skillset;
- Highly organized, dedicated and self motivated; and
- Excellent communications, interpersonal and time management skills.
