## Treaty Analyst

Ascot Underwriting (Bermuda) Limited, one of the world's pre-eminent specialty risk assumption organizations, with successful, growing operations in Bermuda, the USA and Lloyd's of London, is searching for a Treaty Analyst to be part of our Casualty/Specialty Treaty reinsurance team. The analyst will participate in all aspects of the post-bind underwriting process, including but not limited to portfolio analytics, premium and claim metrics and reconciliation, operations, and other ad-hoc assignments. The right candidate will be embedded within the underwriting team and work directly with internal and external partners to ensure a high level of support, account maintenance, and analytical rigor.

### Key Duties and Responsibilities:

- Support underwriters with all activities related to account management and maintenance.
- Be able to analyze a client bordereau, reconcile to statements, and compare to expectations.
- Be responsible for portfolio analytics and ad-hoc data analysis. Including preparation of metrics/exhibits for presentation to board and other senior executives.
- Serve as a conduit between underwriting and all other departments, such as, actuarial, finance, accounting, legal, and claims.
- Correspond with broker partners to ensure timely report of information and investigation of discrepancies.
- Contract analysis and reconciliation of treaty terms with underwriting systems.
- Assist with general underwriting responsibilities as needed, including risk analysis/ documentation and submission evaluation.

### Qualifications and Experience:

- Minimum 5 years re/insurance experience. Reinsurance Treaty experience is preferred.
- Must have demonstrated, deep knowledge of reinsurance concepts and in-depth experience working with re/insurance contracts or data.
- Achievement of or progress towards CPCU, RPLU, ARe, or related industry designations.
- Advanced competency in Microsoft Office Suite of applications (Excel, PowerPoint, Word, Outlook).
- Working knowledge of S2000 (Subscribe) is a plus.
- Excellent written and verbal communication, demonstrable customer service skills, with the proven ability to be broker facing and communicate effectively with internal and external stakeholders.
- Proven ability to self-identify group needs and think creatively to solve issues.
- Ability to work flexible hours to meet business demands and deadlines including evenings and weekends.

To apply please send your résumé to jobs@expertisegroup.com. All applications are handled in a confidential manner and in accordance with Expertise's Privacy policy, available on our website.

**Closing Date: January 12, 2023**
