## Financial Controller, Aspen Bermuda Limited

Since Aspen was founded in 2002, we have become a leading, diversified specialty insurance and reinsurance company. We respond thoughtfully and creatively to find the best outcomes for our clients and business partners through carefully-tailored solutions.

We believe the way we work is just as important as the work we do, and we are guided by our core values of respect, honesty, trust and professionalism. Aspen is a great place to develop your career offering an exciting and challenging environment where achievement is rewarded.

### **Financial Controller, Aspen Bermuda Limited (ABL)**

The Financial Controller, ABL will be a member of the Bermuda finance leadership team and will set the strategic direction for the ABL finance team, have oversight of financial reporting, processes, and controls. The successful candidate will have strong technological, analytical and problem-solving skills coupled with an enthusiasm for accuracy and attention to detail. This role reports to the Chief Financial Officer, ABL and would be best suited for an organized, collaborative individual who is engaged on a consistent basis.

### **Key Accountabilities:**

- Member of the Bermuda Finance leadership team setting the strategic direction for the finance team
- Represent the Bermuda platform at the Group Financial Controllers Forum contributing to the decisions taken with regards to process improvements, reporting deadlines and approving of matters brought to the Forum
- Maintain and foster global relationships with underwriting, actuarial, claims, tax and compliance departments
- Manage relationship with Aspen's outsourcing partner and monitoring of KPIs
- Responsible for, and in partnership with HR, staff training, development and performance management for direct and indirect reports
- Oversee accurate and timely production of internal and external financial reporting including financial statement preparation, Group reporting and input to regulatory reporting framework
- Identify areas for process improvements and efficiency gains and lead the implementation of areas identified
- Maintain accurate systems for accounting records, policies and procedures along with appropriate internal controls
- Engage with internal and external audit teams to ensure smooth audit review process
- Interpret and analyse data to ensure integrity across the financial reporting suite

### **Skills & Experience:**

- Internationally recognized accounting designation (CA, ACA, CPA or equivalent)
- 10 years PQE with at least 5 years PQE (re)insurance finance industry
- Prior experience managing a team of finance professionals
- Proactive, self-motivated with a team orientation
- Working knowledge of US GAAP and Bermuda Regulatory reporting requirements
- Strong work ethic and high energy who strives for excellence
- Technical proficiency with Microsoft suite of applications
