**SJ Construction** is currently seeking  
Top Grade Masons and Top Grade Finish  
Carpenters/Craftpersons.

### **Top Grade Masons**

The successful candidates will be highly proficient in all aspects of masonry. Responsibilities will include calculating angles and courses, determining the vertical and horizontal alignment of courses of all sizes of block, building and positioning forms for pouring concrete, building and erecting stone columns/face slate/buttresses and butterfly roofs, laying brick for driveways/chimneys and all other masonry procedures, as well as reading blueprints and drawings to determine specifications.

#### *Minimum Required Skills & Experience:*

- 5 years' experience in residential and commercial construction
- Track record of excellent masonry work
- Ability to finish concrete slabs to 3/16th of an inch tolerance in 20 feet
- Ability to plaster concrete walls to 1/8th of an inch tolerance in 8 feet
- Ability to set steel and rebar
- Ability to read and understand blueprints to calculate specifications and materials
- Excellent time management and reliability
- Willingness and ability to work overtime when required, including weekends and public holidays
- Must have own transportation

### **Top Grade Finish Carpenters/Craftpersons**

The successful candidates will be expected to carry out and finish projects within a carpentry shop and on site in a timely manner.

#### *Minimum Required Skills & Experience:*

- 10 years' carpentry experience
- Ability to read and understand detailed shop drawings/plans
- Ability to verify dimensions on site and execute the project from fabrication to complete installation
- Ability to fabricate all types of doors; frames; cabinets; spiral and standard staircases; furniture; and must have a solid knowledge of working surfaces
- Excellent time management and reliability
- Willingness and ability to work overtime when required, including weekend and public holidays
- Must have own transportation

Interested applicants who possess their own set of basic tools are preferable.

To apply, please submit a resume with references to demonstrate the above requirements to [savanna@sjconstruction.bm](mailto:savanna@sjconstruction.bm) or mail them to P. O. Box HM 3204, Hamilton HMNX.

All employees at SJ are subject to random drug testing to ensure a safe and productive work environment.

**Closing date for applications: January 24, 2023**
