Senior Accountants

Talcott is a rapidly growing long-term insurer offering reinsurance on fixed-rate, variable, and universal life annuity contracts. Talcott is backed by Sixth Street Partners, a leading global investment firm and serves as a strategic risk partner for the insurance industry. Talcott offers creative in-force and new business solutions that provide capital flexibility and risk management efficiencies.

We are seeking two qualified professionals for the role of Senior Accountant. If you are a high performer and current Manager in Big 4 public accounting or comparable level in industry and looking to join a creative and fast paced company with room for growth, then please contact us.

Responsibilities:

- Assist with the quarter end and year end financial close and reporting for operating companies and holding companies on a GAAP and Statutory basis.
- Support monthly and quarterly journal entries related to (re)insurance transactions.
- Support the accounting and onboarding for new (re)insurance transactions.
- Reconcile investment information between custodian data feeds and manage data feeds, via the Clearwater platform.
- Coordinate between finance, actuarial, and legal departments on (re)insurance matters.
- Preparation of various internal and external management reports and support the quarterly analysis of financial results.
- Document, implement and maintain appropriate processes and internal controls for financial reporting.
- Assist with internal and external audits, including the preparation of work papers, analysis of data and information gathering.
- Identify process improvement opportunities and participate in the implementation of reporting processes.
- Participate in other ad hoc projects as required.

Qualifications and experience:

- An internationally recognized professional accounting qualification (e.g., US CPA or equivalent) with a minimum of 5 years professional accounting experience.
- Knowledge and working experience with US GAAP for (re)insurance companies required.
- Life and annuity (re)insurance accounting experience advantageous.
- Practical experience compiling and reviewing statutory reporting under U.S. and Bermuda Regulatory frameworks for (re)insurance companies.
- Experience with internal controls.
- Strong computer skills including Microsoft Excel, Outlook, Word, and Power Point.
- Demonstrate a track record of creating and maintaining effective working relationships with other employees.
- Ability to work independently and problem solve.
- Well organized and good attention to detail.
- Willingness and ability to work overtime when required to meet deadlines.
