On behalf of our client, North End Re Ltd. (NER), we seek applications to fill the role of Financial Accountant. NER is a wholly-owned subsidiary of Brookfield Reinsurance Limited (Brookfield Reinsurance). Reporting into and working closely with the Senior Investment Accountant – Finance, the Financial Accountant will assist NER's investment accounting, financial reporting and treasury affairs and may be required to support other entities within the Brookfield Reinsurance Group.

Key Responsibilities:

- Responsibility over investment accounting in accordance with IFRS or US GAAP for the NER reinsurance business, and reporting to its parent company;
- Assist in the implementation of all aspects of the investment accounting function, including implementation of processes, tools and systems to assess, measure, manage, monitor and report on the NER financials;
- Assist in transaction execution for new acquisitions/business, and the coordinating workstreams with legal, tax, treasury, and M&A teams;
- Assist with the preparation and filing of statutory reports on a timely basis;
- Liaise with various stakeholder groups, both externally (auditors, administrators) and internally;
- Prepare ad-hoc analyses and presentations for senior management group, as required.
- Support of financial reporting in accordance with IFRS or US GAAP for the NER reinsurance business, and reporting to its parent company;
- Assist with financial reporting function, including implementation of processes, tools and systems to assess, measure, manage, monitor and report on results;

Minimum Qualifications, Skills and Experience:

- Bachelor's degree in accounting, business administration or other related technical discipline;
- Professional accounting qualification (i.e. CPA, CA, ACA, ACCA) with at least 2 years post qualification experience in accounting/finance;
- Experience with financial reporting or auditing (re)insurance companies under US GAAP or IFRS;
- Excellent written and verbal communication skills;
- Results driven, highly analytical and great attention to detail;
- Experience with Dynamics, Workiva, and working in a life-reinsurance start-up environment, strongly preferred.

This position would be suitable for those candidates who meet the role qualifications and who thrive in a performance-driven environment that emphasizes employee leadership and accountability for delivering results.
