### **Produce Merchandiser Supervisor**

With a minimum of 5 years' experience, a produce merchandiser supervisor will wrap, prepare, and display produce on the sales floor. The job requires heavy lifting of 50+lbs cases/sacks and long periods in refrigeration conditions as the successful candidate will be required to assist in the unloading of imported produce containers, the receiving of bulk local produce and the storage/packing away of the product. The successful candidate will be neat in appearance, hard-working, and self-motivated. This position requires the best customer service skills and the applicant must be courteous and friendly. In addition, the Produce Merchandiser Supervisor will supervise and delegate work to other produce merchandisers and assist the produce manager where necessary. Applicants must be prepared to work on Sundays, public holidays and after-hours as required. Experience in forklift operation would be an asset.

### **Assistant Produce Manager**

With a minimum of 5 years' experience in all aspects of produce merchandising, the successful applicant will assist the Produce Manager in ordering, costing, pricing, off-loading containers – including lifting 50+ lbs cases, management and scheduling of staff, assuring food and work safety, merchandising and shelf replenishment. You should enjoy working in a challenging and physically demanding retail environment where you will be required to clean displays regularly and spend long periods in refrigeration conditions. The ability to display produce creatively and function effectively as a leader of a team is essential as you will be required to take over from the Manager in his absence. Applicants must be hard working, self-motivated and prepared to work on Sundays, public holidays and after hours as necessary. This position requires the best customer service skills and the applicant must be courteous, friendly and punctual.

### **Store Manager**

Who possesses the proven ability to effectively run a large, busy supermarket. The successful applicant must have the wherewithal to deal with mechanical, refrigeration and general plant issues that are all part and parcel of the day to day operation of the store as well as have a minimum of 10 years' experience in all aspects of overall store management including ordering, management and scheduling of staff, assuring food and work safety, merchandising, shelf replenishment and the effectual handling of problems as they arise in every department. The Store Manager would be required to be on call after hours, Sundays and public holidays to deal with any mechanical failures and alarm issues that may arise. You should have well-developed communication and interpersonal skills and enjoy working in a challenging and physically demanding retail environment. A 'hands-on' management style and the ability to function effectively as a member of a team is a must. Applicants must be hard working and self-motivated. This position requires the best customer service skills and the applicant must be courteous, friendly and punctual.

### **Qualified Butchers**

With a minimum of 5 years' experience in all aspects of meat preparation – frozen and particularly fresh meat. The successful candidates must also be skilled in using all related electrical equipment and possess certification in food safety fundamentals. In addition, knowledge of fresh fish would be an asset. Applicants must be neat in appearance, hard-working, self-motivated and must maintain a high level of sanitation and safety. Applicants must be willing and able to lift 60+lb cases of meat and be available to work split shifts, Sundays and public holidays, if required. As this position requires customer service, the applicants must also be courteous, friendly and punctual.
