Assistant Underwriter

Fergus Reinsurance Limited, a Class 3B company are actively recruiting for an Assistant Underwriter within their growing Bermuda office. The successful candidate will work closely with the Chief Underwriting Officer to analyze and administer the casualty treaty reinsurance portfolio.

Key Duties and Responsibilities:

- Entering data in the underwriting database such as submissions, bordereaux, treaties, contacts, counterparties
- Preliminary analysis of new business prospects, e.g., completing the deal analysis template and identifying missing information to be relayed to the producer
- Monitoring and preliminary analysis of renewals. Identifying and flagging treaties coming up for renewal that may be cancelled within the termination period and updating analysis template for renewal accordingly
- Assisting in the development of data driven analytics and business processes

Minimum Qualifications, Skills & Experience:

- Obtained or actively pursuing relevant industry qualifications i.e., CPCU or ACII
- 3 years performing in a similar underwriting capacity with a strong preference for casualty reinsurance experience
- Familiarity with types of treaties and the mechanics of underlying policy coverages and casualty classes
- Basic reinsurance accounting skills and rudimentary understanding of Balance Sheet and Income Statements preferred
- Proficiency with MS office, with a focus on Excel and Access. Other database skills such as SQL and VBA would be an asset

To apply please send your résumé to bdajobs@expertisegroup.com. All applications are handled in a confidential manner and in accordance with Expertise's Privacy Policy, available on our website.
